# USER FEEDBACK FROM

The screenshot shows the Microsoft FrontPage 2003 interface. The main window displays a web page titled "QUESTIONNAIRE". The page content is as follows:

**QUESTIONNAIRE**

What do you think of my website?

- Good
- Satisfactory
- Bad

Who do you think my website is aimed out?

- High school music fans
- Music Fans
- School Children
- Adults

How would you improve my website?

Below the text is a large empty text input field.

The application window includes a menu bar (File, Edit, View, Insert, Format, Tools, Table, Data, Frames, Window, Help), a toolbar, and a status bar at the bottom showing "Design" view, "Split", "Code", and "Preview" options. The taskbar at the bottom shows the Start button and several open applications: UNIT 2, Microsoft Excel - CHECK..., Microsoft PowerPoint - [...], and Microsoft FrontPage - ... The system tray on the right shows the time as 13:33 and various system icons.
